Section 2.4 Extent of Owners' Right. The right of use and enjoyment created hereby shall be subject to the following:

(a) The right of the Association to promulgate and publish rules and regulations with which each Member shall strictly comply;

The Association shall have all rights of ownership and shall be responsible for the maintenance of the Common Area(s), as defined herein, or as added by the filing of future plats further subdividing the Property, subject to the right of use and enjoyment of the Owners consistent herewith.

ARTICLE III ALLOWED USES

Section 3.1 General. All Lots shall be used for residential purposes only. With the exception of Lot 15, no structure other than one detached single-family residence, with a minimum of 1900 square feet (as permitted by the City), shall be constructed or permitted to be constructed on the "SF Lots" as identified on the Aspen Valley Estates Subdivision Plat. Every residence constructed on a SF Lot shall have a private garage for no less than two vehicles. Every SF Lot driveway shall be at least eighteen feet (18') wide and shall be constructed and maintained as a concrete surface. An Owner may keep two recreational vehicles on an SF Lot so long as it is screened from view from other SF Lots and the nearest public street and complies with §§3.2 and 3.8(b) hereof. Such screening may be a fence or other improvement, as approved by the ACCO.

Section 3.2 Temporary, Modular Structures. No structure of a temporary nature, such as a tent, trailer home, modular, yurt, or recreational vehicle shall be used on any Lot, at any time, as a residence, either temporarily or permanently. No mobile, modular, or manufactured structure shall be allowed on any Lot, except that prefabricated storage sheds of not more than two hundred (200) square feet are allowed if located on the rear half of a Lot and if screened from view from adjacent SF Lots and the nearest street. All other structures on a Lot, except for Lot 15, shall be of new construction and built on-site.

Section 3.3 Building Height. No structure on an SF Lot shall exceed height standards as defined in the City of Grand Junction Code.

Section 3.4 Paint. Exterior paints for all structures on all Lots shall be colors known to be earth shades: paint shall range from light sand color to dark brown, light green to dark green or natural wood or stone. Any variations must be approved, in writing, by the ACCO. An Owner shall have the right to paint their front door any color they choose. However, no bright or garish colors shall be permitted on the exterior of any structure on any Lot or Common Area.

Section 3.5 Pets/Livestock. No animals of any kind shall be raised, bred, or kept on any Lot for commercial purposes. A reasonable number of household pets, such as dogs and cats, may be kept, provided that they are not kept, bred, or maintained for commercial purposes. A "reasonable number" of household pets shall mean no more than three (3) household pets per SF Lot; however, the HOA's Board may grant exceptions in its discretion and subject to such conditions as the HOA may impose from time-to-time. All pets shall be controlled and contained so that they do not become a nuisance to the neighborhood and do not run at large or endanger or harass other animals or wildlife. Any uncontained pet shall be on a leash of ten feet (10') or less in length and under the direct control of a responsible individual. The owner of any dog shall prevent the dog from persistent barking, baying, or howling which can be heard by a person with ordinary hearing from any area, whether on the Lot or not. Each Owner is responsible for each pet contained on such Owner's Lot or Unit, and shall control, clean-up, and properly dispose of all pet waste, whether on the Lot or not.

Section 3.6 Fencing/Screening.

(a) After the date this Declaration is recorded, no fence shall be permitted unless written permission is given therefor by the ACCO and the City has issued a fence permit. Where allowed by City of Grand Junction, all fences shall be 6' tan vinyl fencing with 6" wide vertical pickets, with 5x5 posts. Each Owner shall maintain each fence on an SF Lot, or on the boundary of an SF Lot, in good order and repair.

(b) All clotheslines, implements, recreational vehicles, snowmobiles, ATVs, boats, equipment, wood piles, and storage piles/storage areas shall be kept screened by adequate vegetation and/or fencing to conceal them from view from off the SF Lot, as much as possible, and as determined by the HOA's Board. No boat, trailer, motor vehicle, or recreational vehicle of any type, including snow mobiles and ATVs ("vehicles"), shall be stored or permitted on an SF Lot unless completely contained in a garage, a fully-enclosed space on the SF Lot, or screened by a

privacy fence, except that temporary storage outside of such areas is allowed for not more than any three (3) consecutive days, but such temporary storage shall not occur for more than twelve (12) days in any twelve month period.

Section 3.7 Home Occupations. No Lot or the improvements situated thereon may be used for commercial purposes of any type whatsoever, excepting for home occupations that are allowed by the City and that are not expressly prohibited by this Declaration. For purposes of this Declaration, "home occupation" shall have the meaning set forth in the City of Grand Junction Code, as amended from time-to-time.

ARTICLE IV MAINTENANCE/OTHER RULES.

Section 4.1 Landscaping/Maintenance.

(a) Except as otherwise provided herein, the maintenance and repair of each SF Lot and all structures thereon shall be the responsibility of the Owner(s) thereof, including but not limited to, landscaping, the interior and exterior of the structures, the other improvements constructed thereon, and any fence on the boundary line of an SF Lot (collectively "Improvements").

(b) Each Owner shall landscape, plant, and thereafter maintain their SF Lot in accordance with landscaping plans that are approved of by the ACCO so that all Improvements and landscaping is always neat, well maintained, and consistent with other SF Lots. The front yard landscaping needs to be a minimum of (1) tree and (5) shrubs. In the event the Owner fails to keep and maintain their SF Lot, landscaping, and/or Improvements in accordance herewith, the Association may, but shall not have the obligation to: (i) cause such repairs or maintenance as may be needed to comply with this Declaration; (ii) remove accumulations of trash or debris, and or (iii) cut weeds and/or maintain the landscaping and exterior of all structures. The costs of such Association work, maintenance, and repairs shall be assessed to and against the Owner and their respective SF Lot.

(c) The HOA shall maintain and repair the Common Area(s) as a Common Expense of all of the Lots, as shown on the Aspen Valley Estates Subdivision Recorded Plat. Those tracts are Tracts B and C. Additionally, Tract A is a limited common element for access to and from Lots 13, 14, and 15. The HOA shall maintain and repair Tract A as a Common Expense of all of the Lots. However, pursuant to C.R.S. § 38-33.3-202(2), Tract A and its maintenance and repair obligations may be reallocated among the owners of Lots 13, 14, and 15.

(d) Each Owner of a SF Lot, other than Declarant, shall complete the installation and construction of the landscaping plan for the SF Lot within eight (8) months after such Owner takes title to the SF Lot, unless the ACCO provides the Owner with additional time to complete the landscaping for good cause shown by the Owner of the SF Lot as to why the landscaping cannot be completed within eight (8) months. Each SF Lot Owner shall not begin installation of any landscaping until such Owner has obtained the approval of the ACCO as provided herein.

(e) No structures, fences, or trees shall be installed or maintained on or within any easement, the notice of which is recorded with the County Clerk.

Section 4.2 Owner's Negligence. Notwithstanding anything to the contrary contained in this Article, in the event that the need for maintenance or repair of property or improvements owned or controlled by the Association is caused by the willful or negligent act or omission of any Owner, or by the willful or negligent act or omission of any member of such Owner's family, or by a guest, agent, contractor, or invitee of such Owner, the cost of such repair or maintenance shall be the personal obligation of such Owner, and any costs, expenses, and fees incurred by the Association for such maintenance, repair, or reconstruction shall be added to and become part of the assessment to which such Owner's Lot is subject to and shall become a lien against such Owner's Lot as provided for in this Declaration. A determination of the negligence or willful act or omission, and the amount of the Owner's liability therefore, shall be determined by the Association at an HOA hearing after notice to the Owner. Such determination which assigns liability to any Owner pursuant to the terms of this Section may be appealed by said Owner to a court of

competent jurisdiction.

Section 4.3 Nuisances.

(a) No obnoxious or offensive activity shall be carried on upon any Lot, nor shall anything be done or placed on any Lot or Common Area which is or may become a nuisance or cause embarrassment, disturbance, or annoyance to others, or which may constitute a health hazard.

(b) No trash, garbage, ashes, junk, vehicle in disrepair, underbrush, or unsightly growth or objects shall be maintained or permitted on any Lot. All outdoor trash, garbage, or other waste must be kept in sanitary containers. All equipment for the storage or disposal of refuse shall be kept in a clean and sanitary condition and shall be stored indoors except on the day of pickup. However, containers used during construction, repair, and/or replacement of the residence and other Improvements on a Lot may be kept outside during construction, repair, and/or replacement. There shall be no burning or other disposal of refuse or trash outdoors.

(c) No Owner or other person shall emit or fail to stop from being emitted: any sound on any Lot or Common Area which is unreasonably loud or annoying; any odor which is noxious or offensive to others; any light which is unreasonably bright or causes unreasonable glare. All exterior lights (including streetlights) constructed or installed after the date this Declaration is recorded, other than those constructed by Declarant and other than ordinary low wattage lights, shall be subject to approval by the ACCO based on harmonious development and prevention of off-site light.

Section 4.4 Construction Completion. The construction, repair, and/or replacement, including painting of the exterior, of each residence and other Improvements on an SF Lot shall be completed within eight (8) months of the date the construction began unless circumstances beyond the Owner's control prevents completion within this time frame. Should the Owner of an SF Lot need additional time to complete construction, repair, and/or replacement due to circumstances beyond the Owner's control, that Owner must seek the approval of the ACCO for additional time, and the approval of the ACCO for this additional time may not be unreasonably withheld.

Section 4.5 Signs. No commercial sign, poster, billboard, or advertising device of any kind shall be allowed to be displayed on any Lot, except such signs as may be used by the Declarant in connection with the development, marketing and sale of Lots, signs that may be required by legal proceedings, signs as may be required for traffic control, "for sale" or "for rent" signs not exceeding six (6) square feet in connection with the sale or lease of a Lot, and address identification affixed to the exterior of a Building or painted on the curb. Political signage, no trespassing signs, no soliciting signs, and similar signage not exceeding two (2) feet by two (2) feet are allowed.

Section 4.6 Antennas. No television, microwave, or other antenna, dish, or similar device shall be erected or maintained on any SF Lot or structure on an SF Lot which has any dimension larger than twenty-four inches (24"). No tower, antenna, or aerial shall be erected or maintained that is higher than fifteen feet (15') above the finished grade of the Lot. "Finished grade" is defined by the City for determining the height restriction for construction of a new residence on the Lot.

Section 4.7 Hazardous Activities. No activities shall be conducted, nor any Improvements constructed, on any Lot or elsewhere on the Property which are or might be unsafe or hazardous to any person or property. Without limiting the generality of the foregoing: no firearms, illegal fireworks, explosives, air rifles, BB guns, crossbows or similar devices shall be discharged upon any Lot or the Property; nor shall open fires be lighted or permitted on any Lot or the Property (including burning of trash or rubbish) except in a contained barbeque unit while attended and in use for cooking purposes or within a safe and well-designed fireplace or fire pit.

Section 4.8 Utilities. All utilities, including all lines and/or wires and/or pipes for telephone, electricity, cable, internet, gas, water and sewer, shall be buried and maintained underground from their primary source adjacent to the Lot line to the residence or structure, at the Owner's sole expense. Irrigation water, including irrigation wastewater, conveyed within irrigation easements shall be allowed only if in underground pipe; no open ditches are

allowed.

Section 4.9 Drainage.

(a) Except as approved by the Declarant while exercising its reserved rights to further subdivide and/or develop the Property, or by the ACCO, no modifications or alterations to the grade or soils on any Lot or Common Area shall be made in such manner that will obstruct, divert, or otherwise alter the water drainage courses and patterns, nor shall landscaping or changes to the existing terrain be made which would obstruct, divert, or otherwise alter such drainage.

(b) No person shall fill in, obstruct, or otherwise alter the flow of stormwater, run-off, or existing and future drainage easements that are created by, or shown on, any recorded Plat of any portion of the Property.

Section 4.10 Mining. No Lot or other portion of the Property shall be used for the purpose of mining, quarrying, drilling, boring, or exploring or removing water, oil, gas, or other hydrocarbons, minerals, rocks, stones, gravel, or earth.

Section 4.11 Tanks. No elevated or underground tanks of any kind shall be allowed on the Property.

Section 4.12 Garage Sales. The HOA may adopt regulations governing the frequency of and related rules for garage sales.

Section 4.13 Declarant's Exemption. Nothing contained in this Declaration shall be construed to prevent construction, installation, or maintenance by Declarant, or its duly authorized agents or contractors, of improvements, structures and/or signs necessary or convenient to the development, sale, operation or other disposition of any Lot, Common Area, Outlot, or reserved rights owned by Declarant or its assigns.

Section 4.14 Weeds and Tamarisk. Noxious weeds/vegetation, as designated by the City of Grand Junction or other applicable governmental authority, that are located on a Lot or Common Area shall be forthwith removed. The HOA has the authority to cause noxious weeds to be removed from a Lot if written notice is first given to the Owner of a Lot, and if such owner fails to remove same within twenty (20) days of mailing or delivery of such notice. Such notice may be delivered by posting the notice on the front door of the residence. If the Owner fails to pay in full within thirty (30) days of the mailing or delivery of notice of the costs incurred by the HOA in dealing with such noxious weeds/vegetation that have not been timely removed by a Lot Owner, such costs shall be a special assessment against the particular Lot and a personal obligation of each Owner thereof. The HOA shall have the duty to remove noxious weeds from the Common Area.

Section 4.15 Water Near Foundation. Each Owner shall maintain the ground and grades of, and the landscaping on, a Lot so that water flows away from each residence and other structures and so that water near or under the foundation of all structures is perpetually avoided. Further, each Owner shall maintain the grade on and improvements to the Owner's Lot so that drainage/run-off water does not flow onto any other Lot or adjacent property unless the drainage/run-off water flows in a designated drainage easement.

Section 4.16 Parking. No motor vehicles or vehicles may be parked on an SF Lot except on the driveway, in a garage, or in a screened area as described in §3.6(b).

ARTICLE V
ASSOCIATION. MEMBERSHIP AND VOTING RIGHTS. INDEMNITY

Section 5.2 Membership. Every Owner of a Lot which is subject to assessment hereunder shall be a Member of the Association. Each Lot shall be entitled to one vote and the Owner or Owners shall exercise the vote of each Lot as they determine, however, not more than one vote can be cast with respect to any Lot.

Section 5.3 Directors of the Association. The affairs of the Association shall be managed by the Declarant initially. When Declarant relinquishes control of the Board to the Owners pursuant to Section 5.4 below, the Board shall be managed by at least three (3) Directors. Section 5.4 Management of the Association. From date of formation of the Association until the termination of Declarant's control, as provided below, Declarant shall have the right to appoint and remove all members of the Board and all officers of the Association. The period of Declarant's control of the Association shall terminate upon the first to occur of: Sixty days after conveyance of sixty percent (65%) of all of the Lots to Owners other than Declarant; Two years after the last conveyance of a Lot by Declarant in the ordinary course of business; or seven years after the first sale of a Lot to an Owner other than Declarant. Declarant may voluntarily surrender the right to appoint and remove officers of the Association and members of the Board before termination of the period of Declarant's control, but in that event, Declarant may require, for the duration of the period of Declarant's control, that specified actions of the Association or Board, as described in a recorded instrument executed by Declarant, be approved by Declarant before they become effective. No later than sixty days after conveyance of (50%) of all of the Lots to Owners other than Declarant, at least one member of the members of the Board shall be elected by Owners other than Declarant. No later than the termination of the period of Declarant's control as provided above, the Owners (including Declarant) shall elect a Board of three (3) members, at least a majority of whom must be Owners other than Declarant or designated representatives of Owners other than Declarant and the Board shall elect the officers, with such Board members and officers to take office upon termination of the period of Declarant's control. Within sixty days after Owners other than Declarant elect a majority of the Board, Declarant shall deliver to the Association all property of the Owners and the Association held or controlled by Declarant, including without limitation those items specified in Section 303(9) of CCIOA, as amended.

Section 5.5 Officers. The officers of this Association shall be as set forth in the Bylaws of the Association.

Neither Declarant, the Association, any member of the Board, any officer of the Association, nor any agent or employee of the Association shall be liable to any Owner or other person or entity for any action or any failure to act with respect to any matter if the action taken or failure to act was in good faith and is not finally adjudicated to be willful or intentional misconduct. The Association shall indemnify and hold harmless Declarant and any member of the Board, and any officer of the Association, or any agent or employee of the Association from any and all reasonable costs, damages, charges, liabilities, obligations, fines, penalties, claims, demands, or judgments, and any and all expenses, including, without limitation, attorney's fees, incurred in the defense or settlement of any action arising out of or claimed on account of any act, omission, error, or negligence of such person, or of the Association, the Board, or any committee of the Association, provided that such person has acted in good faith and is not finally adjudicated to be guilty of willful or intentional misconduct.

Section 5.7 Limitation of Liability. Neither Declarant nor the Association shall be liable for injury or damage caused by any latent condition of the Property or Lots, by the conduct of other Owners or persons, by casualties for which insurance pursuant to these Declarations is not required, or for which insurance is not provided by the Association.

ARTICLE VI

ARCHITECTURAL CONTROL COMMITTEE

Section 6.1 Composition of Committee. (a) The Architectural Control Committee ("ACCO") shall consist of three (3) or more persons appointed by the Board of Directors of the Association; provided, however, that until Declarant no longer has control, as described herein, Declarant shall act as the ACCO. The Board of Directors may serve as the ACCO. A majority of the ACCO may, from time-to-time, designate a representative to act for it. The power of the Declarant to act for the ACCO, as provided herein, shall include without limitation the power to: initially constitute the membership of the ACCO; appoint member(s) to the ACCO upon the occurrence of any vacancy therein, for whatever reason; remove any member of the ACCO, with or without cause, at any time; appoint the successor thereof; and each such appointment may be made for such term(s) of office, subject to the aforesaid power of removal, as may be set from time-to-time in the discretion of the Declarant. All improvements within the Property constructed by Declarant, including residences, during the period in which it appoints the ACCO shall be deemed approved by the ACCO without the issuance of any writing evidencing such approval.

(b) The ACCO shall have the right to adopt Architectural Control Guidelines from time-to-time to assist owners in applying for ACCO approval.

(c) When the members of the ACCO do not have the expertise to review a particular application or request before it, it may reject or disapprove the application unless the requesting Owner agrees to pay for engineering, architectural and/or other professional services rendered to the ACCO in conjunction with the request or application. If such an Owner fails to timely pay for such services, the ACCO shall refer the matter and bill(s) to the HOA which may impose a special assessment against the Owner's Lot, which shall be a lien against the Lot and an obligation of each such Owner, in accordance with Article VII of this Declaration.

(d) Review and approval by the ACCO does not relieve an Owner from his/her sole responsibility to abide by all of the rules of this Declaration, getting the proper City/County permits, and any rules adopted by the HOA and/or the ACCO. Each Owner, by acceptance of a deed to a Lot, agrees that, notwithstanding any acts or failure to act of the ACCO, the HOA may enforce its rules, the rules of the ACCO, and the provisions of this Declaration, and that the doctrine of estoppel and similar equitable principles shall not limit or bar any such HOA actions.

Section 6.2 Prior Approval. With the exception of any residences, buildings, or other structures that may exist on the Property prior to the recording of this Declaration, no structures, buildings or other Improvements of any kind, including without limitation driveways leading to the various structures within the Property, shall be constructed, remodeled or altered in any fashion within the Property, nor may any vegetation be altered or destroyed nor any landscaping performed, unless two complete sets of proposed plans and specifications for such construction or alteration or landscaping are submitted to and approved by the ACCO prior to the commencement of such work.

Section 6.3 Approval Process.

(a) All applications shall be submitted to the ACCO in writing and in duplicate, duplication is not necessary if application and plans are submitted electronically.

(b) The ACCO shall approve or disapprove in writing all plans and requests within forty-five (45) days after receipt by the ACCO of documentation as described in section 6.4. In the event the ACCO fails to take any action within forty-five (45) days after a request has been received, unless the ACCO has provided written notification to the Owner that more time is needed for its review, approval will not be required and the provisions of this Article will be deemed to have been met, except as provided in Section 6.4.

(c) A majority vote of the ACCO is required for approval or disapproval of proposed improvements or other work.

(d) The ACCO shall permanently maintain written records of all applications submitted to it and all actions it may have taken.

(e) The ACCO may adopt rules and regulations for processing of such applications, including reasonable fees to process, renew, and store such applications.

(f) If the ACCO deems it necessary, it may condition its review and/or approval of any application or Owner request by the Owner agreeing to pay for such professional services as the ACCO requires. Also see section 6.1(c) hereof.

Section 6.4 Plans. Plans and specifications submitted to the ACCO shall show the nature, kind, shape, height, materials, floor plans, location, exterior color scheme, alterations, grading, drainage, erosion control and all other matters necessary for the ACCO to properly consider and make a determination thereon. Submittals shall include a minimum of:

(a) Site plan showing property boundaries, setbacks, building envelope, principal and accessory buildings, driveway location and width, surface drainage and fencing;

(b) Building elevations (all sides) and floor plans;

(c) For each residence, engineered foundation plans by a Colorado licensed professional engineer if required by the City of Grand Junction;

(d) Samples of roof and external materials along with field trim and accent colors for principal and accessory buildings and all other structures;

(e) Landscape plans shall include plant quantity and types, fencing, drainage, irrigation and other site improvements; and

(f) Professional services deemed necessary by the ACCO, as provided in §§ 6.1 and 6.3 hereof.

Any plans and specifications submitted to the ACCO which are not sufficient for it to exercise the judgment required of it by this Declaration will be automatically disapproved of without any further notification by the ACCO to the Owner. If the ACCO requires extra time to review any submitted plans, it may so inform the applicant, by written notice, and it shall state in such notice the date by which a decision shall be made, provided it is within thirty (30) days of the notice.

Section 6.5 Variance. Where circumstances such as topography, location of trees, brush, rock, outcroppings, area aesthetic considerations, or other matters require or allow the ACCO may allow reasonable variances as to any of these covenants, including required sizes of structures, on such terms and conditions as it shall require. Adjoining property owners shall have the opportunity to provide input before any such decision is made. All such decisions shall be in writing and shall be kept as a permanent record. Any variances that may be provided by the ACCO will not be considered to be a waiver of any requirements for future applications.

Section 6.6 Best Judgment. The ACCO shall exercise its best judgment to see that all improvements, structures, landscaping, and all alterations on the Lots and Common Areas conform and harmonize with the natural surroundings and with existing structures as to external design, materials, color, siding, height, topography, grade, drainage, erosion control, and finished ground elevations.

Section 6.7 Time. After approval of any plans by the ACCO, the work described shall be completed with due diligence in conformity with conditions of approval, if any, but in any event within eight months unless otherwise stated herein. Failure to adhere to any term of approval shall operate automatically to revoke the approval, and the ACCO may require the property to be restored as nearly as possible to its previous state. The time for completion of any such work may be extended by the ACCO as stated hereinabove.

Section 6.8 Liability. The ACCO, the Declarant, or any Owner shall not be liable in damages to any person, corporation, or association submitting any plans and specifications by reason of any action, failure to act, approval, disapproval, or failure to approve or disapprove any such plans and specifications. Any Owner submitting or causing to be submitted any plans and specifications to the ACCO hereby agrees and covenants that he, she, or it will not bring any action or suit to recover damages against the ACCO, the Declarant, or any Owner collectively, its members individually, or its advisors, employees, or agents, and that such Owner releases ACCO, the Declarant, or any other Owner from any such claims or actions.

Section 6.9 Vote and Appeal. A majority vote of the ACCO is required to approve a request pursuant to this Article. Within thirty (30) days of a decision, any Owner may appeal the decision of the ACCO to the Board of Directors if the Board is composed of different members than the ACCO, and, in such event, the decision of the Board shall be final.

Section 6.10 Violation. Upon violation of any of the conditions contained in this Declaration by any Owner, or by any renter, invitee, guest, or family member of any Owner, the Board shall have the following power: the Board shall notify the Owner in writing of the specific violation and shall set a time in the notice when the Owner may appear before the Board to review the facts of the violation. Within twenty (20) days after such hearing, the Board shall enter its decision and shall notify the Owner in writing. Included in the decision will be a statement by the Board on what action must be taken by the Owner to correct the violation and a time period for completion of the remedial action. If the Owner does not complete the remedial action as set forth in the decision, then the Board may commence legal proceedings in a court in Mesa County with jurisdiction, seeking damages and/or specific performance of the covenants in this Declaration. The prevailing party may recover all costs and attorney fees incurred in any such proceeding.

ARTICLE VII ASSESSMENTS

Section 7.1 Creation of the Lien and Personal Obligation of Assessments.

(a) Each Owner of any Lot, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges for Association Expenses, and (2) special assessments for Association Expenses and, as such be required from time-to-time, for Common Area maintenance and improvements, to be established and collected as hereinafter provided. The annual and/or special assessments, together with interest, late charges, costs, and reasonable attorney's fees, shall be a charge on the Lot and shall be a continuing lien upon the Lot against which such assessment is made until paid in full. The obligation for such payments by each Owner to the Association is an independent covenant, with all amounts due from time-to-time payable in full without notice (except as otherwise expressly provided in this Declaration) on demand, and without setoff or deduction.

(b) The Declarant is not liable for HOA maintenance expenses unless Declarant builds on a Lot and occupies the Residence or Rents the residence. However, it will be the responsibility of Declarant to maintain any unsold, vacant lots and mitigate any weeds on such Lots.

(c) The lien may be enforced by foreclosure of the defaulting Owner's Lot by the Association in like manner as a mortgage on real property or otherwise if an alternative is legally available. In any such foreclosure, the Owner shall be required to pay the costs and expenses of such proceedings, including reasonable attorney's fees. The Board of Directors or managing agent of the Association may prepare a written notice setting forth the amount of such unpaid indebtedness, the name of the Owner of the Lot and a description of the Lot. Such a notice shall be signed by one of the Board of Directors or by the managing agent of the Association and may be recorded with the County Clerk. The lien for each unpaid assessment attaches to each Lot at the beginning of each assessment period and shall continue to be a lien against such Lot until paid. The costs and expenses for filing any notice of lien shall be added to the assessment for the Lot against which it is filed and collected as a part thereof.

(d) Each assessment, together with interest, late charges, costs, and reasonable attorney's fees shall also be the personal, joint and several obligation of each person(s) who was the Owner of such Lot at the time when the assessment became due.

(e) The Association's lien on a Lot for assessment shall be superior to any homestead exemption now or hereafter provided by the laws of the State of Colorado or any exemption now or hereafter provided by the laws of the United States. The acceptance of a deed to land subject to this Declaration shall constitute a waiver of the homestead and any other exemption as against said assessment lien.

Section 7.2 Purpose of Assessment. Until changed pursuant to the Act, the annual assessment for each Lot shall be \$300 per year. The assessments levied by the Association shall be used exclusively to promote the health, safety, and welfare of the residents of the Property and, to the extent not performed by any applicable government entity, for the maintenance of the Common Areas.

Section 7.3 Rate of Assessment. Annual assessments shall be fixed at a uniform rate for all Lots and shall be allocated to each Lot on the basis of a fractional share per Lot, the numerator of which fraction shall be one and the denominator of which shall be the number of Lots subject to the provisions of this Declaration and shall be in the amount sufficient to meet the expected needs of the Association and to pay the Association Expenses. Also see, §7.2.

Section 7.4 Budget. At least 30 days prior to the Association's fiscal year end, the Board shall estimate the cost and expenses to be incurred by the Association during the coming fiscal year in performing its functions pursuant to the Declaration. The sum or net estimate so determined shall be assessed to the Owners as an operation and maintenance assessment by dividing the total estimate, less any cash reserves (which does not include Capital Reserves) by the total number of residential Lots and assessing the resulting amount to the Owner of each Lot. Owners will have a chance to vote on the budget at the Association's Annual Meeting.

Section 7.5 Date of Commencement of Annual Assessments. The initial annual assessment shall commence on the first day of the calendar year in which invoices for annual assessments are first sent, and the second and each subsequent annual assessment period shall correspond with the fiscal year of the Association. The annual assessments shall be due and payable in one (1) annual installment due on the 15th day of January each year. Any Owner purchasing a Lot between installment due dates shall pay a *pro rata* share of the last installment due. Should Declarant require it, at the time of purchase of each Lot from Declarant, each Lot Owner shall, in addition to annual and special assessments, pay a one time \$350.00 capital investment fee to the HOA.

Section 7.6 Reserve Accounts. As a part of the Association Expenses, the Association shall have the right to maintain adequate reserve fund accounts out of the annual assessments for the repair and replacement of those elements of Association property that must be repaired or replaced on a periodic basis.

Section 7.7 Special Assessments. If at any time during any fiscal year the regular assessment proves inadequate for any reason, including non-payment of any Owner's share thereof, the Board may levy a further assessment in the amount of such actual or estimated inadequacy but only after the Board has given thirty (30) days written notice to the Members. Such written notice shall include a rationale for the proposed special assessment and shall include an analysis of how the adopted budget was insufficient. If the Board receives written notice of objection from, or a request that the special assessment be voted upon by, at least twenty percent (20%) of the Owners, the Board shall not impose the special assessment until a majority of the Owners voting at the meeting held for such purpose have voted in favor of the special assessment. Such special assessment shall be assessed to the Owners by dividing the assessment by the total number of Lots subject to the provisions of this Declaration, unless the special assessment should be assessed to fewer than all of the Lots, and assessing the resulting amount to the Owner(s) of such Lot(s), such assessment to be paid in installments or a lump sum as the Board shall determine.

Section 7.8 Effect of Nonpayment of Assessments: Remedies of the Association. In the event any assessment is not paid when due, the Association may enforce payment of such obligation by any or all of the

following remedies:

(a) Any assessment not paid within thirty days after the due date thereof shall bear interest from the due date at the rate of eighteen percent (18%) per annum, or at such lesser rate as may be set from time-to-time by the Association, and the Association may also assess a monthly late charge thereon.

(b) The Association may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against such Owner's Lot, and in the event a judgment is obtained, such judgment shall include interest on the assessment, reasonable experts and/or attorney's fees to be fixed by the court, together with the costs of the action.

(c) The Association may refuse to provide services or benefits to any Owner's Lot whose assessment is delinquent.

(d) The Association may suspend the voting rights of any Owner for the period during which any assessment against the Owner's Lot remains unpaid.

(e) The Association may prevent the use of any Common Area by any Owner whose assessment is delinquent.

(f) No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use or abandonment of his or her Lot or by non-use or abandonment of the Common Area.

Section 7.9 Lien for Assessments.

(a) Under the CCIOA, the Association has a statutory lien on a Lot for any assessments levied against that Lot and for fines imposed against its Owner, from the time each assessment or fine becomes due. In addition, fees, charges, late charges, attorney's fees, fines and interest charged pursuant to this Declaration or the CCIOA, are enforceable as assessments. If an assessment is payable in installments, the full amount of the assessment is a lien from the time the first installment thereof becomes due.

(b) The statutory lien for assessments is prior to all other liens and encumbrances on the Lot except: (i) liens and encumbrances recorded before the recordation of this Declaration; (ii) a lien of a First Mortgage which was recorded before the date on which the assessment sought to be enforced became delinquent; and (iii) liens for real estate taxes and other governmental assessments or charges against the Lot. Notwithstanding the foregoing, the statutory lien for assessments is also prior to the lien of a First Mortgage to the extent of an amount equal to the assessments based on a periodic budget adopted by the Association which would have become due, in the absence of any acceleration, during the six months immediately preceding institution of an action to enforce the statutory lien.

(c) The recording of this Declaration with the County Clerk constitutes record notice and perfection of the statutory lien. No further recordation of any claim of lien or assessment is required; however, a claim may be recorded at the Association's option, in which event costs and attorneys fees incurred in connection with the preparation and filing of such claim shall be assessed against the Owner's Lot.

Section 7.10 Budget Adoption and Expenditures. Once the Declarant no longer has control of the Association, the following shall apply:

(a) An annual budget shall be prepared by the Board of the HOA and delivered by U.S. mail or by posting on a Lot to each Owner or as otherwise allowed by CCIOA. The Board of the HOA shall schedule a meeting before the end of April in each calendar year for action on the budget by the Owners in attendance or by proxy. Unless a majority of the Owners in attendance or by proxy vote to veto the budget and/or other items presented at the meeting that are of importance to the HOA, the budget for the HOA and/or other items shall be as proposed by the Board.

(b) The Board of the HOA may similarly propose a reserve or future capital expenditures account as a part of the budget.

(c) The Board shall include in its proposed budget how the funds for any reserves shall be raised: by special assessments or annual assessments.

(d) The Board shall, either through the efforts of its Members or by engaging professional services, keep current and accurate records of all income and expenditures, and shall at least once a year make available to each Owner a report showing all such income and expenditures and a summary analysis indicating whether or not the HOA spending is within the approved budget. The Board is prohibited from spending more than is authorized by the approved budget.

(e) A Member or Owner shall have the right to inspect, and copy at such Member or Owner's expense, all or any of the records of the HOA upon five (5) days notice of such request, except as otherwise provided by law.

Section 7.11 Spending of the Assessments. The Board shall:

(a) Maintain any irrigation system and all Common Areas, in a neat, clean and high-quality state, so as to promote an aesthetic and pleasing appearance.

(b) Pay for liability insurance regarding all Common Areas, and other insurance, such as errors and omissions insurance for the HOA and its officers and board members, as the Board deems appropriate from time-to-time.

ARTICLE VIII INSURANCE

Section 8.1 Insurance. The Association may maintain such forms and amounts of insurance as an Association Expense covering such risks as the HOA deems necessary or as required by law.

ARTICLE IX DISPUTE RESOLUTION

Section 9.1 Dispute Resolution.

(a) In the event of any dispute involving the Association and a Member, the Member is invited and encouraged to meet with the Board of Directors to resolve the dispute informally and without the need for litigation. If the Member requests a meeting with the Board, the Board shall make a reasonable effort to comply with the Member's request. Nothing in this section shall be construed to require any specific form of alternative dispute resolution, such as mediation or arbitration, or require the parties to meet. Neither the Association nor the Member waives any right to pursue whatever legal or other remedial actions are available to either party.

(b) The Association may take judicial action against any Owner to enforce compliance with any provision of this Declaration, obtain mandatory or injunctive relief, or obtain damages for noncompliance, and may exercise any other right or remedy for enforcement of this Declaration permitted by law; provided, however, that the parties shall first proceed in good faith to submit the matter to mediation. The mediator cannot impose a binding decision. The parties to the dispute must agree before any settlement is binding. Within fourteen (14) days after one party notifies the other of a dispute, the parties shall jointly appoint an acceptable professional mediator. If the parties cannot agree on a mediator, each party shall select a professional mediator whose sole purpose shall be to select a third professional mediator who shall mediate the dispute. The mediation, unless otherwise agreed, shall terminate in the event the entire dispute is not resolved within thirty (30) days after the date the mediator is selected. If the dispute is settled through the mediator, the parties shall share equally in the mediation costs and shall pay their own attorney fees, if any. If the dispute is not settled by mediation and proceeds to litigation, the losing party in the litigation shall

pay the prevailing party's portion of the mediation costs and its attorney fees, if any.

ARTICLE X GENERAL PROVISIONS

Section 10.1 Enforcement. Enforcement of the covenants, conditions, restrictions, easements, reservations, rights-of-way, liens, charges, and other provisions contained in this Declaration, the Articles of Incorporation, Bylaws, or rules and regulations of the Association, as amended, shall be by any proceeding at law or in equity against any person or persons, including without limitation the Association, violating or attempting to violate any such provision. The Association and any aggrieved Owner shall have the right to institute, maintain, and/or prosecute any such proceedings, and the Association shall further have the right to levy and collect fines for the violation of any provision of the aforesaid documents in any action instituted or maintained under this section. The prevailing party shall be entitled to recover its costs and reasonable attorney's fees incurred pursuant thereto, as well as any and all other sums awarded by the court. Failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 10.2 Severability. Invalidation of any of the covenants, restrictions or other provisions contained in this Declaration by judgment or court order shall in no way affect or limit any other provisions which shall remain in full force and effect.

Section 10.3 Easements. Easements are reserved as shown on the recorded Plat of the Subdivision, or any portion thereof, or other duly recorded instrument(s). Within these easements no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or the use of the easements, or which may change the direction of flow of drainage channels in the easements. Declarant and the HOA hereby reserve the right to enter upon the Property and each Lot to correct any flow of water and to establish and reestablish drainage channels.

Section 10.4 Conflict of Provisions. In case of any conflict between this Declaration, the Articles of Incorporation, or Bylaws of the Association, this Declaration shall control. In case of any conflict between the Articles of Incorporation and the Bylaws of the Association, the Articles of Incorporation shall control.

Section 10.5 Duration, Revocation, and Amendment.

(a) Each and every provision of this Declaration shall run with and bind the Property for a term of fifteen (15) years from the date of recording of this Declaration, after which time this Declaration shall be automatically extended for successive periods of fifteen (15) years each. Except as provided elsewhere, this Declaration may be amended during the first fifteen (15) year period, and during subsequent extensions thereof, by any instrument approved in writing by at least two-thirds (2/3) of the Members, except that until Declarant has transferred control to the HOA as provided herein, by Declarant acting alone. Such amendment shall be effective when duly recorded with the County Clerk.

(b) In addition, if Declarant shall determine that any amendments to this Declaration or any amendments to the Articles of Incorporation or Bylaws of the Association shall be necessary in order for existing or future mortgages, deeds of trust, or other security instruments to be acceptable to any agency, Declarant shall have and is hereby specifically granted the right and power to make and execute any such amendments without obtaining the approval of any Owners or First Mortgagees. Each such amendment of this Declaration or of the Articles of Incorporation or Bylaws shall be made, if at all, by Declarant prior to termination of the Declarant's control of the Association.

(c) Further, Declarant hereby reserves and is granted the right and power to record technical amendments to this Declaration, Articles of Incorporation, or Bylaws of the Association at any time prior to the termination of

Declarant's control of the Association, for the purposes of correcting spelling, grammar, dates, typographical errors, or as may otherwise be necessary to clarify the meaning of any provisions of any such document.

Section 10.6 Rights of Declarant Incident to Construction. An easement is hereby retained by and granted to Declarant, its successors and assigns for access, ingress and egress over, in, upon, under, and across any Lot and/or Common Area, including but not limited to the right to store material thereon and to make such other use thereof as may be reasonably necessary or incidental to Declarant's or its designee's' construction on or development of the Property and any Lot; provided however, that no such rights or easements shall be exercised by Declarant in such a manner as to unreasonably interfere with the occupancy, use, enjoyment, or access by any Owner, his, her, or its family members, guests, contractors, or invitees, to or of that Owner's Lot. Declarant, for itself and its successors and assigns hereby retains a right to store construction materials on Lots owned by Declarant and to make such other use thereof as may be reasonably necessary or incidental for the purpose of the completion or improvement of the Property, the performance of Declarant's obligations hereunder, and the sale of any Lot. Any special Declarant rights created or reserved under this Article or elsewhere in this Declaration for the benefit of Declarant may be transferred to any person by an instrument describing the rights transferred and recorded with the County Clerk.

Section 10.7 Easement for Encroachments. If any portion of a structure existing as of the date hereof encroaches upon any Common Area or upon any adjoining Lot, or if any portion of any Common Area encroaches upon any Lot, including any future encroachments arising or resulting from the repair or reconstruction of a structure subsequent to its damage, destruction or condemnation, a valid easement on the surface and for subsurface support below such surface and for the maintenance of same, so long as its stands, shall and does exist.

Section 10.8 Registration by Owner of Mailing Address. Each Owner shall register his, her, or its mailing and email address with the Association. All notices or demands intended to be served upon an Owner may be sent by U.S. mail, postage prepaid, addressed in the name of the Owner at such registered mailing address, or by posting such notice on the front door of the residence located on a Lot, or by emailing such notice to the Owner. However, if any Owner fails to so notify the Association of a registered mailing or email address, then any notice or demand may be sent to such Owner at the address of such Owner's Lot. All notices, demands, or other notices intended to be served upon the Board of Directors of the Association or the Association shall be sent by certified mail, postage prepaid to: c/o McCurter Land Company, LLC, P. O. Box 3390, Grand Junction, Colorado 81502, until such address is changed by the Association.

Section 10.9 Liens Not Impaired. No violation or breach of this Declaration, or any enforcement action shall impair the lien of any mortgage, deed of trust, or other lien created in good faith and for value prior to recording of a *lis pendens* or other document by a plaintiff alleging violation or breach.

Section 10.10 Good Faith. Neither the Declarant, the HOA, the ACCO, nor any member, agent nor employee thereof shall be liable to any party for any action or for any failure to act with respect to any matter if the action taken or failure to act was in good faith and without malice.

Section 10.11 Severability. Invalidity or unenforceability of any provision of this Declaration in whole or in part shall not affect the validity or enforceability of any other provisions or any valid and enforceable part of a provision of this Declaration.

Section 10.12 Captions. The captions and headings in this Declaration are for convenience only and shall not be considered in construing any provision of this Declaration.

Section 10.13 No Waiver. Failure to enforce any provision, of this Declaration shall not operate as a waiver of any such provision or of any other provision of this Declaration.
